

The Klub Gymnastics - Birthday Party Info

TKG Birthday Party Info

Come and celebrate your child's next birthday with The Klub Gymnastics! Our gym is a fun and safe recreational space where your child can run, jump, climb and bounce around in with their closest friends. Bring in your cake, food and decorations and we'll take care of the rest! Our Koaches lead the birthday child and their guests through games and activities out on the programming floor while grown ups are invited to sit back and relax in our spacious party room. This time includes guided use of trampolines, beams, bars, foam pits, etc. Guests have the opportunity to tackle exciting obstacle courses, play inspiring games, and learn new gymnastics skills. After a memorable photo is snapped of the birthday child and their friends our Koaches lead guests into the party room for food, cake and celebrating. Klub staff handles serving food, cutting cake and cleaning up. When the party is over we help load up gifts and leftover party supplies. The birthday child receives a Klub Gymnastics birthday shirt and balloons to take home with them!

Pricing

Birthday parties are priced based on the number of guests and length of the party. We prepare/staff for the expected "final headcount." For this reason, you will be charged based on your "final headcount." We do not offer discounts for scenarios where less than the "final headcount" attend/participate in the party. ***Gratuity is not included.

2 Hour Party

- Up to 15 kids: \$450.00
- 16 to 20 kids: \$600.00
- 21 to 25 kids: \$750.00
- 26 to 30 kids: \$900.00
- 31 to 35 kids: \$1,050
- 36 to 40 kids: \$1,200
- 41 to 45 kids: \$1,350
- 46 to 50 kids: \$1,500
- 51 to 55 kids: \$1,650

Head Count

We will take a "final headcount" on the Wednesday before the party. This is an estimated number of guests that will be signing waivers and participating on the programming floor. This includes the birthday child and siblings. If you are not sure of an exact "final headcount" you can give us the price bracket you estimate the "final headcount" will fall into. Ex. "Up to 15" or "16-20." A "final headcount" is important because it helps TKG safely staff your party and prepare appropriate activities. To prevent safety concerns regarding Koach/guest ratios a \$50 fee will apply for every guest over the "final headcount."

Time Slots

TKG offers time slots from 12pm-2pm(morning) and 3pm-5pm(afternoon) on Saturdays. On Sundays we offer time slots from 11am-1pm(morning) and 2pm-4pm(afternoon.) Classes run at the same time as morning parties. Although classes do not interfere with party activities we have a 2 hour maximum length and a 15 guest cap on morning parties due to staffing and space reasons.

Invitations

After signing the birthday party contract TKG will prepare an evite for you. We will accommodate requests for adjustments to the evite. Once the evite is finalized you will be given instructions on how to input your guests names/email addresses. We suggest that you collect and input your guests information as soon as possible but request that it is done no later than 2 weeks before your party date. In this evite, we include a link to a waiver that MUST be completed by each guest before they are allowed on the programming floor

for the party. Guestlist emails are not filed and are not used for any other purpose other than invitations.

Waivers

To aide in everyone's overall check-in experience on the day of the party, we encourage guests to fill out their waivers beforehand. Guests will be greeted by our front desk staff and if their waivers have been filled out they will immediately receive a name tag and be allowed on the programming floor. Parents will have the option to fill out waivers on a laptop at the front desk but this often delays their child's participation on the floor. Every child on the floor MUST be wearing a nametag to signify to our Koaches that they have filled out their waiver.

Party Set-Up

We ask that you arrive 15 minutes to 30 minutes before the start of your party to ensure all food and decorations are set up before your guests arrive. A cart will be available to help with loading and unloading of party supplies and food. If you think you may need more time for set up please notify us. We will have one staff member available 30 minutes before the start of your party to help set up. Once guests begin to arrive, staff will focus their attention on checking in guests at the front desk.

- *Decorations*

Banners, balloons, and table-centerpieces are great for TKG parties. We ask that no confetti or piñatas be used to decorate since guests and staff will be barefoot and this can be a safety issue. We also ask that there be no noise makers. Sound echoes easily with our high ceilings and makes it difficult for our staff to get the attention of guests. Just a reminder, TKG reserves the final decision on which decorations can be used and where they are to be placed.

- *Tables*

The party room has 5 picnic tables. Tablecloths, paper goods, and utensils are great for TKG parties.

(4) 8' Rectangle 96L x 61W x 18H (8 feet long, 5 feet wide, 1.5 feet tall)

(1) 8' Rectangle 96L x 61W x 30 ½H (8 feet long, 5 feet wide, 2.5 feet tall)

- *Fridge*

A standard size fridge with a freezer will be available for the event and is located inside the party room.

- *Food*

Finger foods tend to work best for guests during our events. Pizza, sandwiches and snacks are popular items. TKG staff will take care of cutting and passing out cake/cupcakes. We have a strict NO-GLASS policy; please keep this in mind when choosing containers for food.

- *Drinks*

We have two drink bins for your use during the party. We do not provide ice. We suggest you bring either 2 small bags of ice or 1 large bag. We also suggest bringing in juice boxes and/or water. We have a strict NO-GLASS policy; please keep this in mind when choosing containers for beverages.

- *Alcohol*

You may bring in alcohol for the adults, but it must be kept in a separate bin. Alcohol is not allowed past our party room and lobby area. Our NO-GLASS policy applies to alcoholic beverages as well. We ask that alcohol be consumed responsibly. If TKG feels that alcohol is contributing to a guests disruptive behavior, we reserve the right to ask these persons to leave the premises.

Party Clean-Up

As your party winds down, TKG staff will start to clean up the party room 15 minutes before the end of the party. TKG will handle all clean-up of your party and assist with bringing gifts, food and decorations to your car(s). We require all guests to exit the facility and parking lot by 15 minutes after the end of the party. If it takes longer than 15 minutes to clean and lock the facility, an additional charge (\$30.00 for each additional 1-15 minutes) will be added to your bill.

Safety Rules

We have specific rules and safety policies while out on the programming floor. This time includes guided use of trampolines, beams, bars, foam pits, etc. Free play is not permitted. If a child cannot follow the instructions of TKG staff, they may be asked to leave the floor and be supervised by their parent or

guardian in the lobby area/party room. In the event that a child is asked to leave the floor, we will not be discounting the party. Safety is our responsibility and all guests (kids and parents alike) are expected to follow our safety guidelines. If TKG feels that a safety issue has arisen on the programming floor, we reserve the right to stop the party at any time.

Children 3 and Under

For safety reasons, please remember that children must be at least 3 years old to participate on the programming floor. Younger 3 year olds may or may not be able to handle the pace of the party so just a quick reminder:

- Regardless of age, all guests will be held to the same expectations of rules and safety policies, if an issue arises our Koaches may ask a child to leave the programming area.
- We charge the number of guests who sign waivers regardless of whether the guest is able to remain on the programming floor.
- We do not allow parents on the programming floor.

Guests under 3 years old may use the party room where we have mounted wooden toys and a chalk wall.

Adults

Parents and guardians are welcome to relax and socialize in the party room. The programming floor is for children only. NO ADULTS are allowed on the the programming floor, on the equipment or in the foam pit. Parents and guardians are welcome to watch their kids partake in activities from the lobby. One birthday parent/guardian may follow the group on the floor to take photos. If TKG feels that any persons are having trouble adhering to these rules, we reserve the right to ask these persons to leave the premises.

Guests with Disabilities

In the event that a guest has a disability that requires an adult on the programming floor with them TKG asks to be notified ahead of time so we can prepare accordingly. The aiding adult will need to fill out a waiver before being allowed on the programming floor. The aiding adult must adhere to all Koach instructions for safety reasons.

Music

Our sound system is set up to our speakers in the facility. You are welcome to let us know the artist or genre of your preference and we can choose a station or album to play. Because morning parties run at the same time as classes, the music should be appropriate for all young ears. TKG reserves the final decision on music choices.

Bounce House

For parties with up to 20 guests, the bounce house can be added for a charge of \$50. For parties with 21 guests and above, the bounce house is complimentary. The bounce house is normally used in a rotation that lasts 15-20 minutes.

Koaches

A specific Koach may be requested, however, their attendance cannot be guaranteed. Koaches are staffed ahead of time based on the number of guests attending. For this reason, if guests other than those listed come to the party, the additional guests will either not be allowed on the programming floor or a \$50 fee will apply for every guest over the "final headcount."

Length of Party

A standard party is two hours. You may extend the length of your party by 30 minutes. Pricing depends on how many guests you have attending the party. Please schedule this in advance to secure staffing.
